

The diagram illustrates a multi-layered structure 10. The top layer 12 features three circular components 30, 40, and 20. Each component has a central opening 50 and is surrounded by a ring 32, 42, and 22 respectively. The top layer is connected to a bottom layer 14 by a series of horizontal lines 16, 18, and 24. The bottom layer is a grid of horizontal lines 14.
